Homepage

Welcome to the Chester County Data Center, your destination for up-to-date data on Chester County! Here on the homepage, you can choose from the different data categories in the menu bar to explore economic, demographic, and social data for the region.

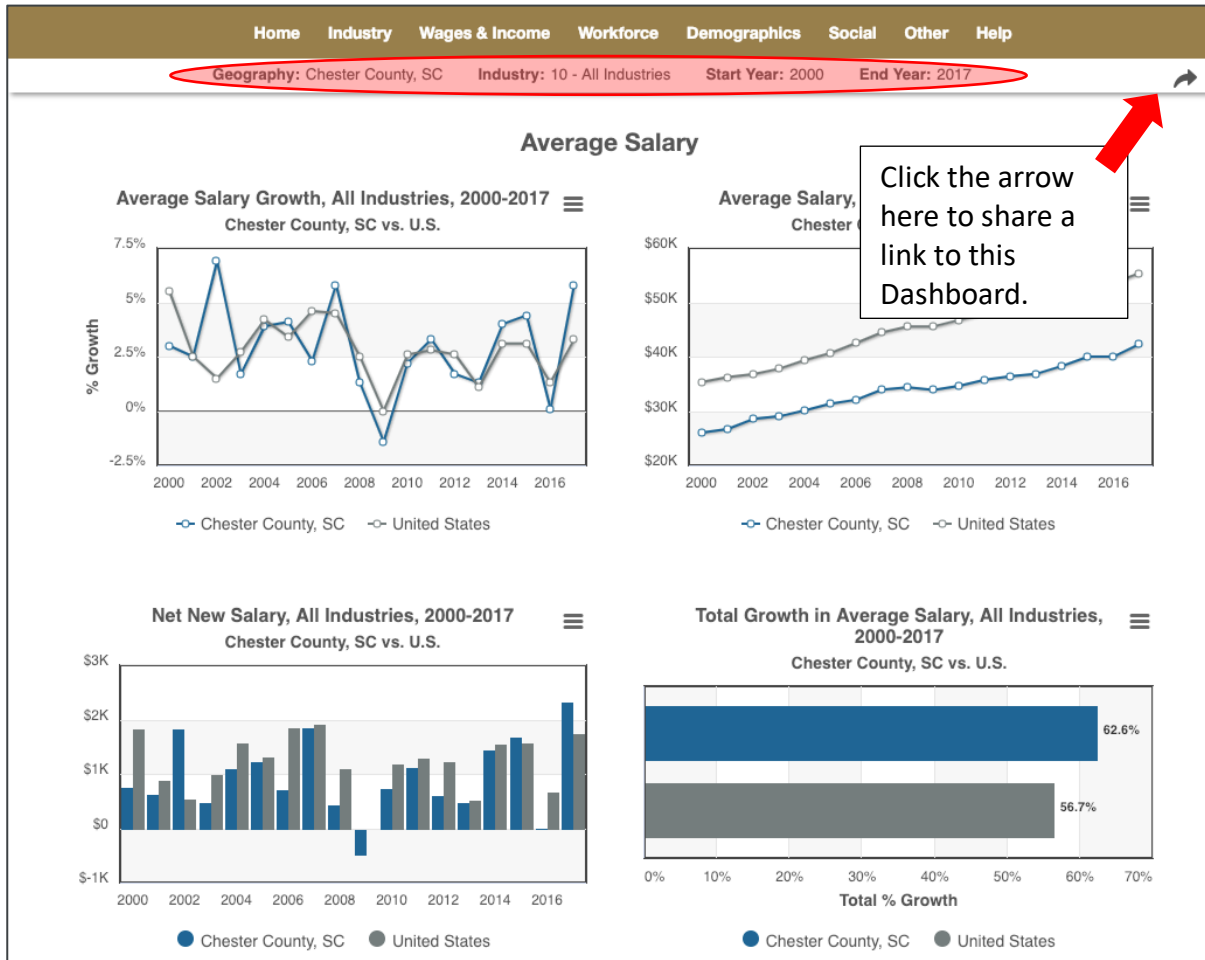

Let's try clicking into a data category to see how it works. Let's use "Annual Salary" for our example.

Data Dashboards

We call this page a Dashboard and each Dashboard will have a number of Graphs related to the data topic you choose. Below, you can see data for “Annual Salary” in Chester County.

You can change the Graphs by using the **Filter bar**, underneath the menu bar, circled above and shown below. You can filter to look at a specific location, industry and change which years the data will display.

Geography:
Industry:
Start Year:
End Year:

Chester County, SC

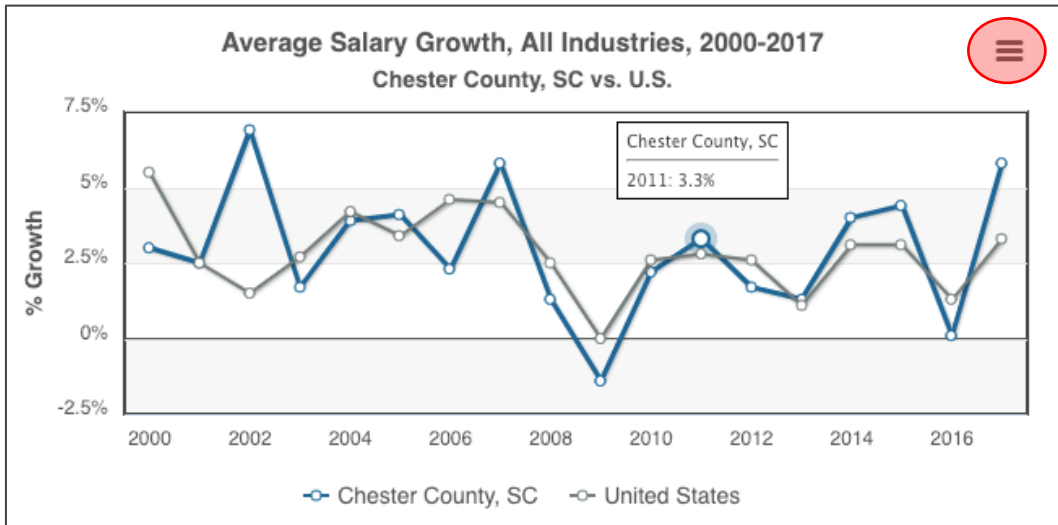

10 - All Industries

2000

2017

Graphs

Below is the top-left Graph from the Annual Salary Dashboard above. By hovering over the Graph, you can get more detailed information about the Graph itself.

Click on the three lines (the “hamburger icon”) in the upper right-hand corner to see different options for downloading and to print the Graph. You can see those options below.

Download XLS

“Other” Tab

By choosing “Other” in the menu bar, you can access some special content.

Snapshots will show downloadable one-page reports on various views of a metric. Set the filters at the top of the snapshot window and hit “Submit” twice to see more.

Data Download will allow you to download large amounts of data in Excel or CSV formats.

“Help” Tab

From the Help tab in the menu bar, you can find this User Guide, as well as:

- A list of sources for our data
- Our update history showing the how current our data is
- Definitions and explanations to help you better navigate the site and understand the data we offer
